

CONVERSATIONAL SPANISH CLASSES

¿Por qué hablar español? This class is for individuals interested in maintaining and/or improving their ability to speak and understand contemporary Spanish. Through vocabulary development, grammar, reading exercises and guided practice, students learn the essentials, thereby enhancing travel experiences and interacting locally. This class is not intended to prepare you to function bilingually in the workplace. Basic knowledge of Spanish is recommended. You are welcome to attend the first class before registering. ¡Adelante!
