AutoCAD Online & In-Person Classes

Ventura Adult and Continuing Education (VACE)

The **AutoCAD *online and in-person*** class will provide you with practical, hands-on experience working with the software. No previous knowledge of AutoCAD is necessary. Intermediate and Advanced AutoCAD users can continue to learn the software, picking up where they left off.

Students have the flexibility to learn at their own pace with a requirement of 30 hours (approximately three hours per week for ten weeks) and may choose to complete all assignments and quizzes online **OR** to attend in-class sessions. Students will need access to a **Windows PC computer**, internet connection and have previous Windows experience. VACE will provide students with access to the Canvas Learning Website, which is necessary to download course materials and submit completed assignments. Enrollment in the course includes a FREE, one-year, fully licensed, student version of the AutoCAD software directly from Autodesk, the software manufacturer.
